(“**Queensberry**”) whereby the Company agreed to convert approximately CAD\$3,232,167.25 of the amount owing to Queensberry into 70,176,859 common shares of the Company (“**Common Shares**”) at a deemed price of CAD\$0.046057 per Common Share (the “**Debt Conversion**”). The Debt Conversion is a “related party transaction” for the purposes of Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). The Company is relying on an exemption from the minority approval and formal valuation requirements of MI 61-101 due to the fact that the value of the transaction does not represent greater than 25% of the market capitalization of the Company.

The Company has not filed a material change report 21 days prior to the closing of the Debt Conversion as no agreement to that effect was in place at that time.
